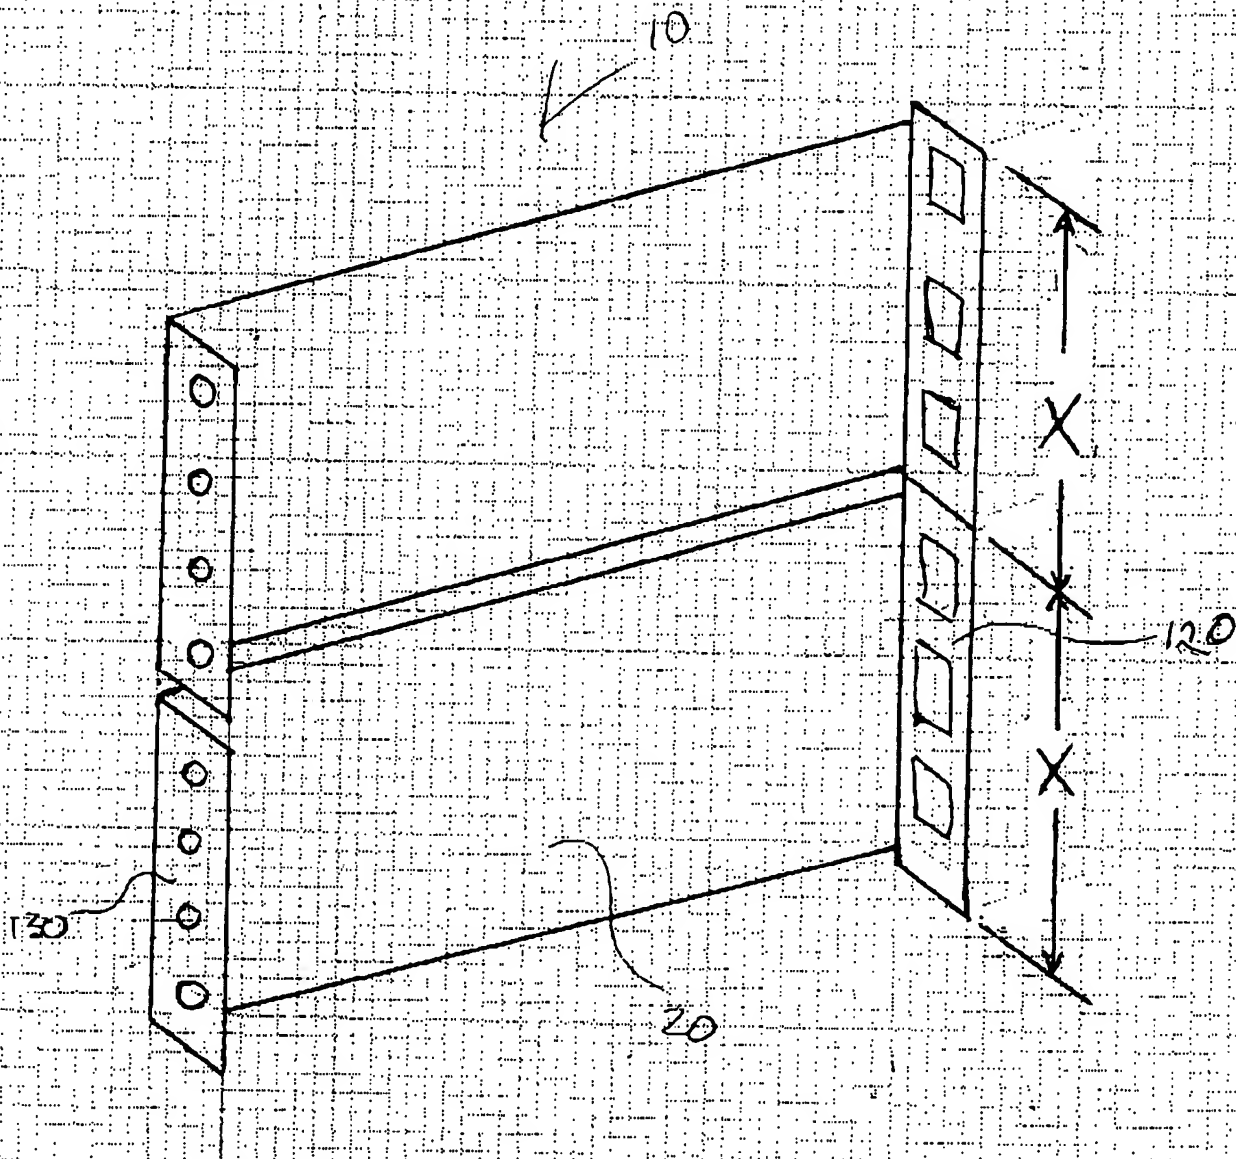

FIG. 9

FIG. 10 is a perspective view of the assembly. It shows the first elongated member (10) and the second elongated member (20) joined together. The first fastener (90) is shown passing through the first opening (130) in the first elongated member and the second opening (140) in the second elongated member. The second fastener (91) is shown passing through the second opening (130) in the first elongated member and the first opening (140) in the second elongated member. The assembly is shown in a perspective view, highlighting the interlocking nature of the first and second openings and the fasteners.
